

## SEC407 – Introduction to Interface Management

<b>Audience</b>	Program/Project Managers and personnel providing System Engineering support to acquisition programs
<b>Overview</b>	<p>The interface management course focuses on the FAA process associated with the development documentation and management of interfaces. The course provides step by step guidance through the interface management process. The course defines each of the work products of this process. The student will learn the details of each interface work product and how each is to be generated. The student will gain insight into the source information that is required to identify an interface and develop the interface definition. The student will understand how the interface work products are linked to various stages of the AMS process and how their delivery satisfies AMS needs. The student will learn how the interface information is passed to the requirements process.</p>
<b>Learning Objectives</b>	<p>At the conclusion of this workshop, participants will be able to:</p> <ul style="list-style-type: none"><li>▪ <b>Identify system interfaces</b></li><li>▪ <b>Define system interface at a high level</b></li><li>▪ <b>Understand how the Interface Working Group operates and uses the Technical Interchange Meeting to help define the interface and resolve issues.</b></li><li>▪ <b>Understand the documentation associated with NAS Interface Management</b></li></ul>
<b>Instructional Methods</b>	(Contact course POC for information)
<b>Prerequisites</b>	<b>Prerequisites: SEC 401 – Key Ingredients of System Engineering</b>
<b>Length</b>	<b>2 half day sessions 8 hours</b>
<b>Location</b>	Refer to ATO web-based Training Tracking System for current locations.
<b>To Register</b>	Register via the ATO web-based Training Tracking System ( <a href="http://arms.faa.gov/">http://arms.faa.gov/</a> ). Print and submit a copy of your training request to your directorate training coordinator.

## **SEC407 – Introduction to Interface Management** (Continued)

---

<b>Cost</b>	No tuition cost to ATO directorate (centrally funded through ATO's Intellectual Capital Investment Council). Travel expenses, if applicable, will be the responsibility of the participant's organization.
-------------	--

---

<b>Reasonable Accommodation</b>	We are committed to providing equal access to this training for our employees with disabilities. Any participant requiring reasonable accommodation should contact his/her directorate training coordinator.
